

Summary of ICCR Source Work Group Meeting, July 30, 1998
Internal Combustion Engines Work Group Meeting
Renaissance Long Beach Hotel, Long Beach, California

Decisions

- The RICE Population Database is in need of revision to reflect corrections suggested by Ed Wheless regarding landfill gas fired engines.
- Two additional test points for timing on the diesel engine will be added to the Test Plan.
- The Pollution Prevention Subgroup will incorporate two new members, Bill Passie and Bob Stachowicz.
- The Above the Floor Subgroup will incorporate one new member, Bob Stachowicz.

Next Meeting

- Teleconferences scheduled:
 - *August 12, 12 EST
 - *August 19, 11 EST
 - *August 27, 12 EST
- The next face to face meeting will be held on September 1, 1998 in Research Triangle Park, North Carolina. The meeting will begin at 8 a.m. This meeting will replace the September 15 meeting.

Action Items

- EPA: Inform RICE WG of the effect of the CARB source test reports, including whether the quality of the expected reports is different from the existing reports in the Emissions Database.
- Testing Subgroup: Hold a teleconference regarding open issues from July 30 meeting.
- RICE WG: Comments on definitions to Alpha-Gamma by August 11.
- EPA: Revise MACT Floor Rationale.

Complete the following for the September 16-17 CC Meeting:

- EPA: Definitions, CARB Tests, Population Database, Population of Model Engines.
- ATF Subgroup: MACT for small engines, form of the Above the Floor MACT Standard.
- ATF Subgroup/Don Dowdall: Model Engines White Paper.
- ATF Subgroup/GRI/Bob Whiteley: Control Costs White Paper.
- Sam Clowney: Emissions Database White Paper.
- Other Fuels Subgroup: ATF options for landfill/digester gas.
- P2 Subgroup: Pollution Prevention for RICE.
- Bryan Quil: Federal Units Population.
